

ACKNOWLEDGEMENT

I am glad to say that, I have satisfactorily reached my intentions to make this documentation. However, it would not have been possible without the kind support and help of many individuals. I would like to extend my sincere thanks to all of them.

I am highly indebted of my guide, **Mrs. Rakhee Rane** for her guidance and constant supervision as well as for providing necessary information regarding the project.

I would also like to extend my gratitude towards **Principal (Prof) Dr. Preeta Nilesh** and the Head of the Department, **Mrs. Pournima Bhangale** for providing me with all the facilities that was required.

Then I would like to thank my parents who have helped me with their valuable suggestions and guidance which has been very helpful.

Last but not the least I would like to thank my classmates who have helped me a lot. Directly or indirectly their contribution was indispensable, and will always be remembered.

This opportunity has given me a valuable experience about software development for which I shall be thankful for the years to come.
